

Dear Street Photography Collective Member,

We would like to invite you and the members of your collective to participate in our NEW Street Photography Collective Gallery, which will expand on our impressive collection of nearly 800 posts on street photography from artists worldwide.

This gallery will be built through special Street Photography Events showcasing street photography and street photography collectives.

We invite you to explore our latest additions:

[Street Photography Collective Gallery](#)

[Unposed Society Hannover](#)

[Through The Lands](#)

[Istanbul Candid Street Photography](#)

[Denver Street Photography Collective](#)

Feature Material:

- **Title:** Collective's Name & Photographer's Name
- **Content of the Feature:**
 - 3 to 5 images
 - Photographer's portrait
 - Photographer's Artist Statement
 - Collective's Mission Statement

Submission Requirements:

For those interested in participating, please send the following via email:

- 10 images (3 to 5 will be selected for publication)
- Image size: 800 pixels wide (horizontal orientation)
- Image file types: JPG, JPEG, PNG, or GIF.
- Photographer's portrait

- Photographer's Artist Statement (in text format)
- Photographer's URL
- Collective's Mission Statement (in text format)
- Collective's URL
- The following statement:

I am the author of the material presented in this email.

This work is being provided free of charge.

I give Edge of Humanity Magazine authorization to publish and promote my work.

Additional Details:

- Materials for publication must be submitted directly by the author (no intermediaries).

Edge of Humanity Magazine is an independent, non-discriminatory platform dedicated to publishing works that explore the human condition. Over the past decade, we have built a vast collection of photography, art, and both fictional and non-fictional works.

Thank you very much for your time and consideration.

Sincerely,

Joelcy Kay - Editor and Curator
