Edge of Humanity Magazine is an independent, non-discriminatory platform focused on publishing works that explore the human condition. Since 2014, in addition to a vast collection of photography and art, we have also featured both fictional and non-fictional works.

Please note that every post featuring a contributor photographer includes a link to the photographer's website from each image, along with an introduction and an artist's statement, profile, or biography.

When replying, kindly include the following statements:

1. This work is being provided free of charge.
2. I give Edge of Humanity Magazine authorization to publish and promote my work.
3. I confirm that I am the author of the material presented in this email.

Edge of Humanity Magazine has no religious, political, financial, or social affiliations. We aim to provide content that is engaging, thought-provoking, and culturally entertaining.

The inclusion of your street photography is free. However, if you wish to support our platform, Edge of Humanity Magazine welcomes [donations](#).

Best Regards
